Letter from the Editor

Hope everyone is doing well and getting ready to leap into springtime. Just wanted to let everyone know that we will be discussing the future of our training classes at the next general meeting. Please start thinking about the

future of our club and the direction you would like to see it take.

Also, I was thinking about starting up a monthly hiking event for LKC members and their fur friends. It would be once a month on a Saturday or Sunday, probably morning from about 9 - 11, at different parks/hiking trails in the area. Let me know if you are interested and we can start setting it up.
